

Spotlight on..... KLB Who's Who @KLB September 2026

Who's who and getting in touch:

We receive thousands of emails every day. The best way to ensure your email is dealt with promptly and by the correct person, is to send it to info@klbschool.org.uk where it will be triaged by our admin team.

Queries relating to lessons are best dealt with by class teachers and heads of department rather than the pastoral team but please remember that the focus for teaching staff is supporting children in and out of the classroom. Teachers are often unable to check emails during the day.

We encourage and foster polite and respectful communications throughout both the school and the wider community and thank you for treating our staff with courtesy and respect.

The following emails are for use for specific issues:

Student absence and attendance	attendance@klbschool.org.uk
Finance queries	klbfinance@klbschool.org.uk
