

Parents and Carers of Year 11 Students

11 February 2025

Dear Parents and Carers

Supporting Year 11 Students to Prepare for GCSE Examinations

After half term, year 11 students will attend a session to support them to prepare for their GCSE examinations. This will focus on:

- Preparing an achievable revision timetable
- How to revise effectively

Students need to have a structured approach to revision. It is particularly important that they make the most of the Easter break and continue their revision when they return to school after the holiday.

Students will need a great deal of support from both home and school in the weeks leading up to the GCSE examinations. With this in mind, we would like to invite you to a session for parents ***How to support your child to prepare for GCSE examination***, which takes place in the Berkeley Theatre from 6.30 – 8.30pm on **Tuesday 25 February**. The session will cover the following:

- Preparing an achievable revision timetable
- Methods of revision
- Examination technique
- Final preparation

The session will be packed with useful information! A resource pack will be issued at the start of the session and light refreshments will be provided.

I look forward to seeing you at the revision session and thank you for your continuing support.

Best wishes

Hannah Khan
Headteacher
